

1983 Fact Sheet Index

Cooperative Extension Service • Division of Agriculture • Oklahoma State University

PLEASE NOTE

All fact sheets listed in this index are considered current and usable information. Those with an asterisk (*) are no longer available through the Central Mailing supplies, but may be available in the local County Extension Office. The asterisked items should be maintained for reference in your fact sheet book. Fact sheets that have been previously published but are not listed in this index should be removed from your fact sheet book as they are not current viable information.
